

*ANIMA/ASSOFOODTEC – Italian
Association of Machinery and Plant
Manufacturers for Food Production,
Processing, Preservation*

for Vietnam production

Milano, 20th January 2021

Member of

FEDERAZIONE DELLE ASSOCIAZIONI NAZIONALI
DELL'INDUSTRIA MECCANICA VARIA ED AFFINE

ASSOFOODTEC is the national trade Association that represents and supports the Machinery and Plant Manufacturers for Food Production, Processing, Preservation.

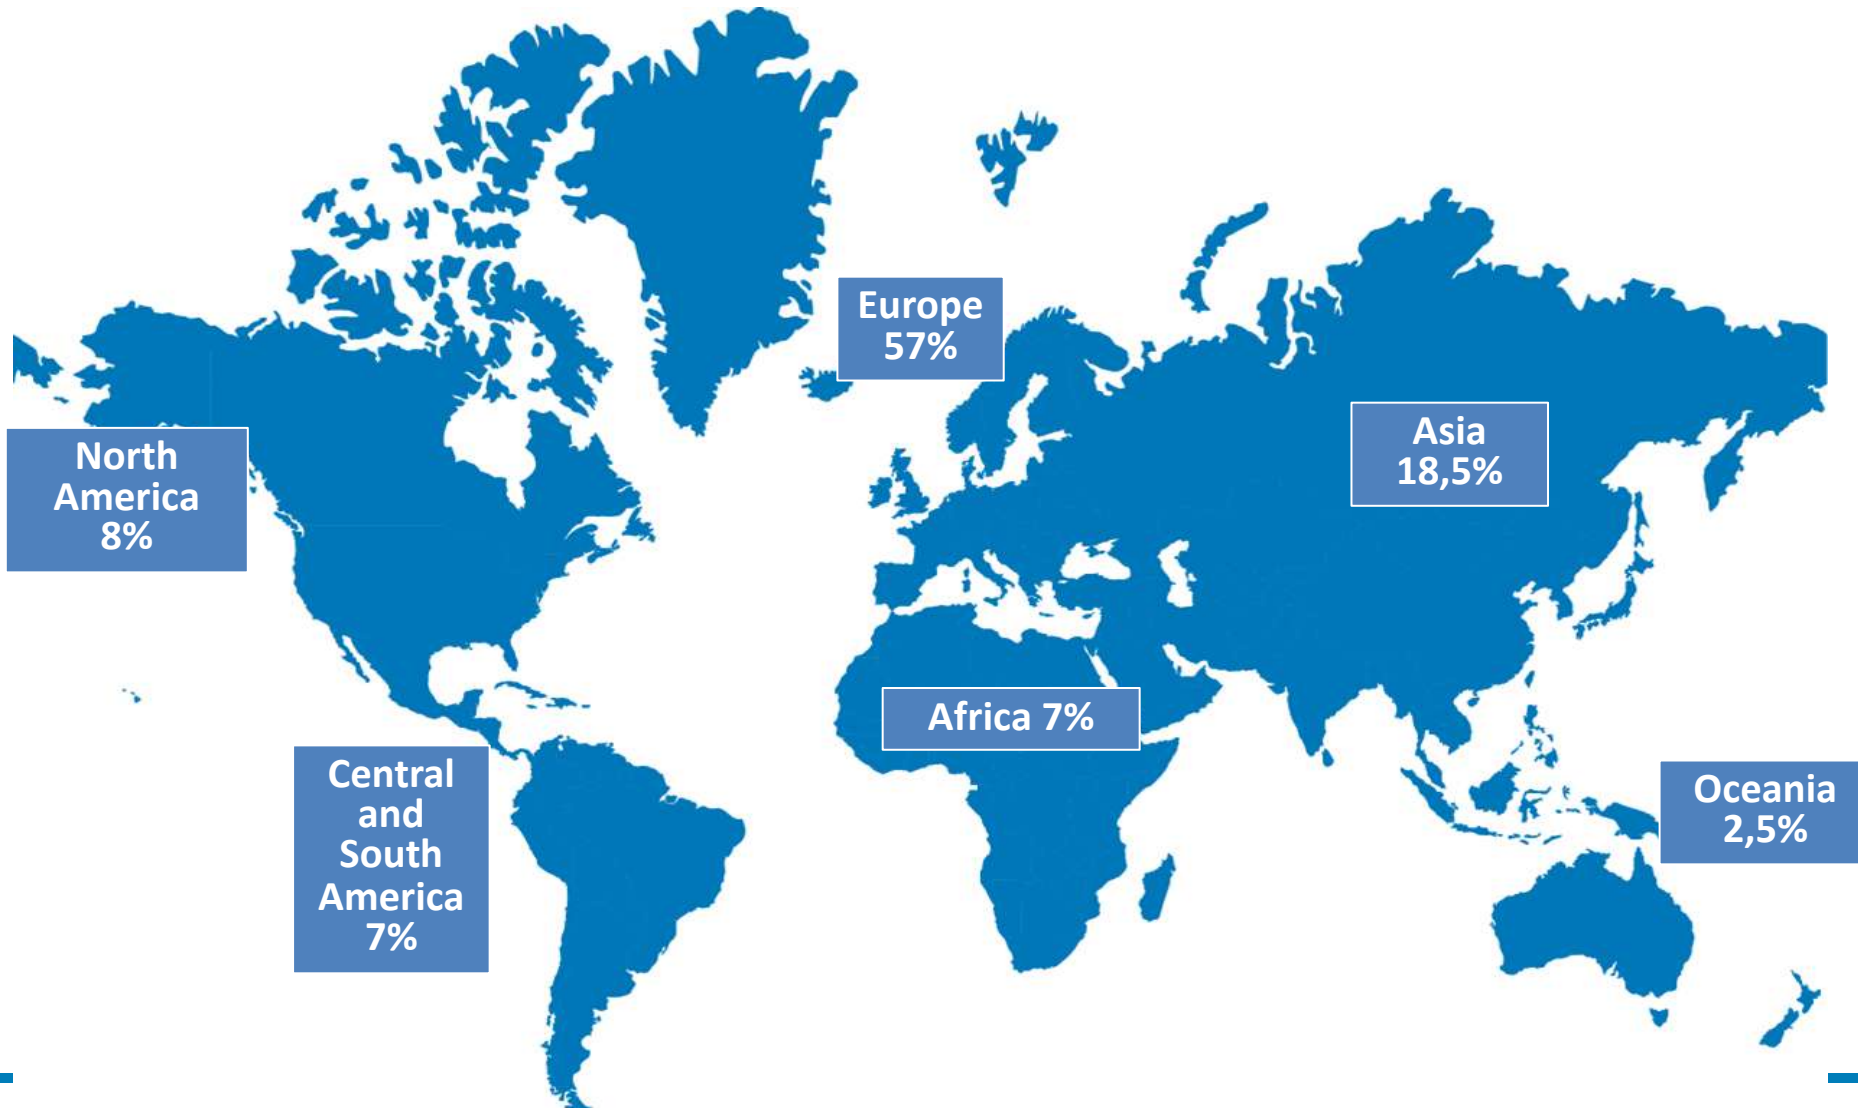

Assofoodtec includes the following production areas:

- Food Slicers, Mincing Machines and Similar Equipment Manufacturers
- Meat Processing Equipment Manufacturers - COMACA
- Refrigeration Equipment Manufacturers - ASSOCOLD
- Espresso Coffee Machine Manufacturers – UCIMAC
- Vending Machines Manufacturers
- Warewashing Equipment Manufacturers
- Food Processing Equipment Manufacturers – UCMA

Assofoodtec counts on more than 100 member companies from all over the country, including the industry leaders. The highest concentration of members is located in the Emilia Romagna, Lombardy and Veneto regions.

The Association represents an industrial branch with a turnover of around 4,2 Billion Euro, of which 66% is destined to foreign markets. Thanks to the above estimates, Italy is indeed in the first place among exporting countries worldwide.

Italian machinery and plants for Food Sector Export

Italian Food Tech Export to Vietnam

Export of **Italian food tech sectors** - represented by ANIMA - toward the market of Vietnam recorded in 2020 (1st and 2nd quarter) about **4 million euros (-46% vs 2019)** in the following branches:

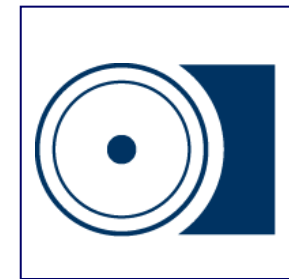

- Bakery machines
- Commercial refrigeration equipment
- Milling technologies
- Espresso coffee machines
- Meat processing equipment
- Refrigeration compressors
- Fruit/vegetables/oil processing machines and plants
- Pasta processing machines and plants
- Cookware professional tools

N.B. Total export turnover of ANIMA technologies towards Vietnam decreased in the whole from 51 million euro in 2019 (1° and 2° quarter) to 45 million euro in 2020 (1° and 2° quarter) *

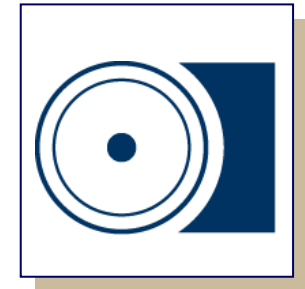

* *Estimeed by ANIMA Economic Dpt.*

Productions of member companies:

- Slicing machines
- Automatic slicers
- Mincers
- Sausage fillers
- Meat mixers
- Tripe cutters
- Meat tenderizers
- Patty forming machines
- Cutters
- Rounders
- Mozzarella cheese cutters
- Vegetable cutters
- Potato peelers
- Coffee grinders
- Bar machines
- Mussel washers
- Vegetable cleaners
- Sterilizers for knives
- Dispensers
- Juice extractors
- Scales
- Vacuum packaging
- Toasters and grills
- Hand held mixers

Food Slicers, Mincing Machines and Similar Equipment Manufacturers

Productions of member companies:

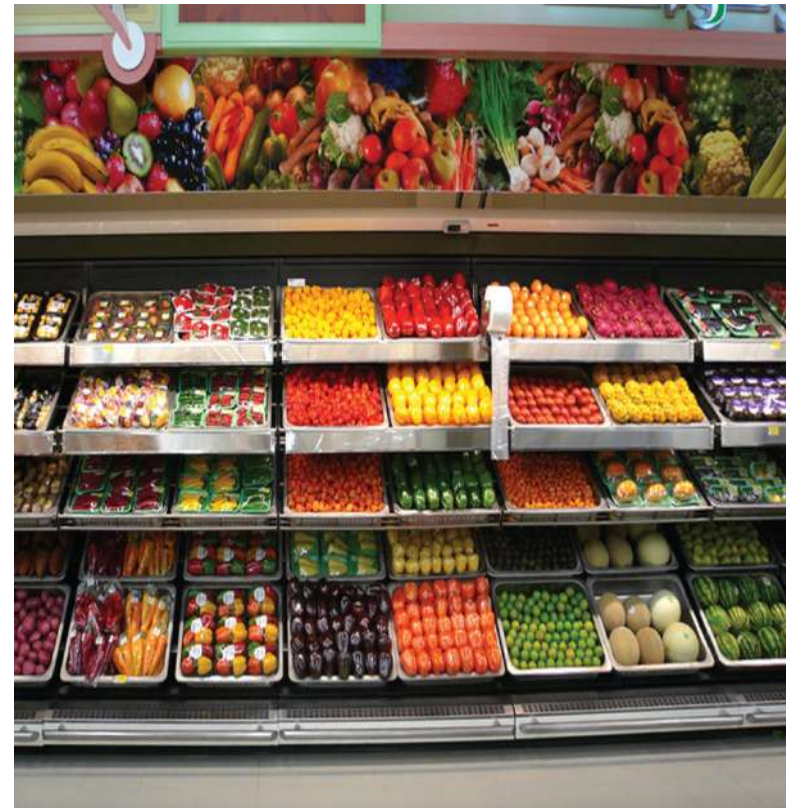

- Slaughtering plants and deboning
- Industrial washing machines for sausage factories
- Cutting machines
- Meat grinders
- Patty formers
- Mixers
- Massaging machines
- Packaging
- Clipping machines
- Stuffers
- Binding machines
- Lines for cooked hams
- Lines for raw hams
- Retort sterilizers
- Lines for the handling of sausages on conveyor belts

Productions of member companies:

- Plug-in cabinets
- Refrigerated display cabinets for small and medium size stores
- Refrigerated display cabinets for supermarkets
- Service counters cabinets
- Walk-in rooms
- Commercial cold rooms
- Industrial cold rooms
- Refrigerated cabinets for soft drink
- Food and non-food shelves
- Check-out counters
- Refrigerating systems
- Industrial refrigerating systems
- Hermetic compressors
- Open type compressors
- Semihermetic compressors
- Screw compressors
- Condensing units

Assocold – Refrigeration Equipment Manufacturers

Productions of member companies:

- Household espresso coffee machines
- Professional espresso coffee machines
- Automatic drink dispenser
- Professional coffee grinders
- Dish washers
- Bar and coffee shop equipments

UCIMAC – Espresso Coffee Machines Manufacturers

Vending Machines Manufacturers

Productions of member companies:

- Machinery and plant for flour mills, foddermills, silos
- Ovens, machinery and plant for bread, biscuits, pastries and pizza
- Machinery and plant for spaghetti, maccheroni, snacks, etc. factories
- Machinery and plant for the transformation of fruits and vegetables
- Machinery and plant for oil industry
- Machinery and plant for beer, wine and liquor industry
- Machinery and plant for confectionery industry, sweets, cocoa, chocolate, etc.
- Machinery and plant for sugar industry
- Machinery and plant for dairy industry
- Machinery and plant for ice cream industry
- Machinery and plant for foodstuff

UCMA – Food Processing Equipment Manufacturers

Productions of member companies:

- Frontal Dishwashers
- Tunnel Dishwashers
- Hood Type Dishwashers
- Utensil washers
- Baskets and accessories
- Bar Equipment
